

'The Forgotten France' Photography Workshop

Jeff Morgan is running some affordable one week photographic workshops in France for small groups of 5 or 6 photographers for one week in spring and one in autumn:

Please see the web site or call or email for dates and availability:

www.elmstudio.com/france

Enjoy Les Marronniers (The Chestnuts), a former farm set in the tranquil Creuse Department of France's South West Limousin region. Immerse yourself in a structured learning experience to bring your photography up to the next level; technique, composition and processing will be studied. You will be transported by minibus to places of historical interest and natural beauty, so all you have to do is relax, take photographs and enjoy delicious home cooking.

In this one-week workshop you will capture landscapes, village-scapes, rural buildings, ruins, nature subjects and close-ups. You will learn how to optimise these images in Photoshop CC, CS or Elements to create stunning images. There will be plenty of time to answer all your questions and help you develop your photographic style. One of the first things we will do together is to sit down and agree an itinerary and goals for the week.

This workshop provides lots of individual attention and allows us to tailor the training content to your level and interests. The week being fully catered allows us more time to devote ourselves to your photographic goals and interests.

Since all of us love the exquisite countryside, castles and villages of France, we will spend as much time as possible in the field under guidance taking spectacular images. This program is a blend, combining the best of a workshop and a photo tour.

The cost for this workshop is £995 per person which includes the workshop, trips/transportation, accommodation, meals and all tuition. You are responsible for your own transportation to the location in France, although we are happy to collect you from Limoges Airport or a railway station.

Limoges Airport has frequent flights and is served by Ryanair from Stansted, Nottingham (EMA), Bristol, Leeds-Bradford and Liverpool, by FlyBe from Southampton and Newcastle, and by Air France from other European cities.

We are accepting bookings now. More details are available at:

www.elmstudio.com/france

This workshop can be scheduled on other dates for your own small group or club, please enquire for availability.
