

## Workshops: The Fine Print

Booking: Is via reservation with Jeff Morgan at 07542-933700 or [jeff@elmstudio.com](mailto:jeff@elmstudio.com). Please make sure you have received an email confirmation.

After booking, cancellations of the workshop, or not turning up on the day, will not be eligible for a refund unless a replacement participant can be found.

If you wish to re-arrange your workshop we are happy to do so provided that you give us at least one month's notice so that we can try and re-book your date. If it is less than one month before your scheduled workshop, we can reschedule at no extra cost to you if another participant can be found for your original date.

There is a 10% non-refundable booking fee if the workshop is not rescheduled.

Please take out appropriate travel/personal insurance if you need cover.

*Can I reschedule the event because I don't want to go out in the rain?*

No, as long as you come with appropriate clothing (for you and the camera) and a positive attitude, a great experience can still be had in less than perfect weather. We like to wait and see what the weather forecast is a day or two ahead of time, and if the weather is totally inappropriate for photography, then we will reschedule the workshop.

Under 18's must be accompanied by an adult workshop participant.

No equipment will be provided; customers must bring their own camera. It is recommended for you to also bring a sturdy tripod, remote release (wired is better) and camera manual. A head torch would be good for night time workshops.

Photography workshops take place on terrain which can be uneven or sometimes boggy. Whilst there will not normally be too much walking involved, you will need to be reasonably fit and wear appropriate warm clothing and footwear.

We take no responsibility for accidents, bad weather, any camera/equipment damage, acts of God, etc. Please take out appropriate travel/personal insurance if you need cover.

Unless otherwise stated, meals and refreshments are not provided. You will have a chance to purchase or bring your own meal and snacks for the workshop. Parking charges are shared between members of the group.
